Dear Chris and Dawn,

Tuesday 16th July

I am writing this letter to show my appreciation for letting me experience the real world of work and how much I really enjoyed the work and friendly environment I was set in. Not only this but how great the team you have is and you all made me feel that I was truly part of it. Therefore I learnt many things from my time at 'All in One' and I am extremely grateful for everything you all did to make this happen. It has been a privilege and has helped me to think about my future.

Thanks again, Lewis Jackson
